## Lifesaving Online Moves into the Members Portal

SLSA Portal is a one-stop shop for all of the organisation's member's online needs. It is designed to unify what are currently entirely separate websites and databases into one online location where every single SLSA service will be available through the Portal. The Portal is located at **portal.sls.com.au**. It is for use by active, registered members of surf clubs, support organisations and Lifeguards. If you are not a member of the organisation you will not be able to create a Members Portal account and should go to **sls.com.au/join**

### What's in the Portal?

- News, Announcements, Events and Jobs across the whole organisation
- Member's Forum
- An organisation document library including Branches and Clubs
- Lifesaving Online - renew membership, update membership details, view Awards, patrol roster & patrol hours
- Ability to add your own content (once approved)
- Other features for Club Administrators
- Apply for Service awards and YEP awards

**Email Activation** – you will receive an email from [noreply@portal.sls.com.au](mailto:noreply@portal.sls.com.au) either click the link or paste the URL at the bottom of the email into your web browser to activate your account.

**Mobile Activation** – the next screen displayed will ask you to enter your username and password exactly as you chose it earlier, followed by the confirmation code you receive by SMS.

## Step 5. Using Your Account

You can now see the Homepage of the Portal where News, Events, Announcements and Jobs & Opportunities are listed. You should also have access to the “My Forms”, “Library”, “Forum” and “Lifesaving Online” tabs.

The screenshot shows the Surf Life Saving Australia Members Portal. The header includes the SLSA logo, the text "SURF LIFE SAVING AUSTRALIA MEMBERS PORTAL", and a user profile for "patrickcooks - Patrick Cooks (SLS Id: 12670410)" with links for "Change Password" and "Log Out". The main navigation bar contains tabs for "Home", "My Forms", "Library", "Forum", and "Lifesaving Online". Below this is a secondary navigation bar with "Home", "My Drafts", "Search Center", "My Details", "Change Password", and "Other SLSA Websites". The page is divided into four main content areas: "News", "Events", "Announcements", and "Jobs and Opportunities". Each area has a filter menu (National, State, Type) and a "Set" button. The "News" section lists articles such as "Aussie Ocean Swim", "Gold Coast SurfCom opens doors to members of the public", "Lifesaving Online Now Available in the Portal", "Safety update: Surf Life Saving Australia releases Independent Testing Report", and "The Aussies - Just Under Two Months To Go!". The "Events" section lists "2015 SLSA Surf Boat Championships", "End of Season Party", "2015 SLSQ Board Riding Championships", "2015 SLSQ Surf Rescue Championships", and "Ocean Assault". The "Announcements" section lists "SLSA Circular 93 2014 - 2015 End of Season IT Procedures". The "Jobs and Opportunities" section lists "Mermaid Beach AEME SLSA, Nipper Coach, Season 2015-2016".

## Password and Account Issues

If you forget either your username or password, click the reminder link on the main login page. Enter your First and Last Name and Date of Birth and select either Email or SMS to receive your Username & Password reminder.

**Note:** Once you have logged in with your temporary password you can always change your Password by clicking “Edit My Profile” at the top right corner of the screen.

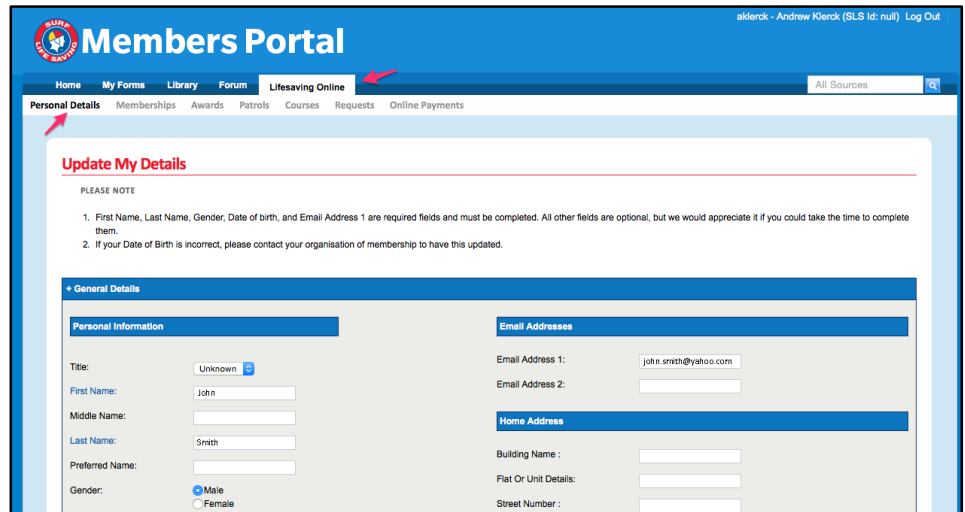

The screenshot shows the "Login" page. It has a title "Login" in red. Below the title are two input fields: "Username\*" and "Password\*", each with a red asterisk. Below the input fields are two buttons: "Login" and "Clear". Below the buttons is a paragraph of text: "Don't have an account yet? [Click here](#) to create a new portal account. [Click here](#) if you have forgotten your username or password. [Click here](#) to resend your confirmation code. [Click here](#) to enter your SMS confirmation code." Below this paragraph is another line of text: "Not a member of a surf club? [Click here to join](#)." A red arrow points from the text in the previous block to the first "Click here" link in this paragraph.

## Using the Library

The Portal's library is a location for the entire organisation's electronic files and documents. National, state, branch and club organisations can upload training materials, circulars, minutes and any other file that is to be made available to members. While anyone can upload a file, all such uploads have to be approved by a content approver at that level (e.g. club, branch, state etc). For instance any club member can upload a file to the club's library folders, however the content will not appear until approved by the club.

To upload a file, click *Library* and navigate to the required sub-folder. Click the *Upload* button, browse to your file and click the *Submit* button. Once the file has been uploaded it will need to be approved before it appears in the Library. If you are a content approver yourself and you have submitted at your organisational level, then you can approve your own upload.

The Library also has a full search function which can be accessed by entering a search term in the box in the top right of the screen. The resulting search listing includes live links and the full path to the file or document in question should you wish to browse to it directly.

## Adding News, Events, Jobs or Announcements to the Portal

Anyone can add news to any of the portal's four sections by clicking the 'Create' button at the bottom of each tile. In each case a pop-up window will appear which enables you to set the title, keywords, summary and content of your item.

### Set Type, Level and Organisation

Items can be tagged in one of six all-purpose categories (sports, lifesaving, education, development, conferences and other) by ticking the appropriate box(es).

The level that an item is submitted at determines who can see it, but also who will be required to approve it. Submit at a club level and the content will only be visible to club members and will need to be approved by a club officer. Submit at a state level and the content will be visible to anyone in that state once approved by a state administrator.

### Add Pictures, Attachments and Choose Publish Date

News items can include attachments (such as PDFs) or images to accompany it. Events and jobs can include attachments but no images. Announcements are text only.

If you only want your news items, job listing, event or announcement to appear for a specific date range, you can set the publish and expiry dates manually. The default settings is to publish immediately and expire in three months.
